

Sell your tourism services on araucania.tours

We are inviting a group of 20 to 30 tourism businesses in La Araucanía to be the first to sell on the portal, with no monthly fee and the lowest commission.

In the meantime: a free listing for 12 months

Your directory listing

Photos, a description in Spanish and English, location and contact details. We review it before publishing.

Visitors go to your website

The main button takes them to your website, or your WhatsApp if you have no website. You take the booking, with no commission.

We show you the clicks

We count how many people went from araucania.tours to your website, WhatsApp or Instagram.

When online booking opens, you decide whether to join as a founding partner: 15% only when you sell, no monthly fee. If not, your listing stays free in the directory as a contact listing.

15% only when you sell

You pay a 15% commission per booking for 24 months from your first sale. After that, the standard 18% commission applies.

No monthly fee

Listing is free and there is no fixed cost. During the pilot, every tool is free.

8% on your own channels

With your booking link and button on your website or Instagram, the commission on those bookings is 8%.
